

RcppResultSet::add

```
graph LR; A[RcppResultSet::add] --> B[RcppVector::cVector]; A --> C[RcppVector::size];
```

The diagram illustrates a function call from `RcppResultSet::add` to two other functions. A central gray box on the left contains the text `RcppResultSet::add`. Two blue arrows originate from the right side of this box. The top arrow points to a white box at the top right containing `RcppVector::cVector`. The bottom arrow points to a white box at the bottom right containing `RcppVector::size`. All boxes have black borders.
